

Certification

This is to formally certify that **MD ABDUL MUTALIB** is currently affiliated with the CRC as a Project Member, starting from June 2024.

During this period, MUTALIB has played a significant and proactive role in the execution of the Computer Vision Project, specifically contributing to the domain of Hand Gesture Recognition. His responsibilities encompassed a range of activities related to both the research and development aspects of the project.

As a core member of the team, he has demonstrated a commendable understanding of advanced computer vision techniques and actively contributed to the design, implementation, and refinement of algorithms and methodologies aimed at enhancing the accuracy and robustness of hand gesture recognition systems. His collaborative efforts and dedication have been integral to the progress of the project.

The CRC acknowledges his valuable contributions during this tenure and wishes him continued success in his future endeavors.

Sincerely,

Md. Khairul Islam
People Manager, CRC
Dhaka, Bangladesh
